> About us + Our services

YesBuy is established in UAE market as the hub of distribution of FMCG within the region of GCC. The company is active in wholesale, local distribution and export to other GCC countries.

YesBuy specializes in the business of high-quality goods. The range of goods is as important as the quality of the listed products. Thus, we explore markets closely to develop a portfolio of products that meet the needs and wants of the GCC customers.

The initial phase of our business was wholesale business. Now, the retail distribution is running and then, in the very near future, the plan is to open YesBuy retail stores in UAE. >>>>
